

Bean Hall Restoration Committee – Draft Minutes

Wednesday, March 1, 2017

The meeting in February was deferred one week due to illness.

Prior meeting minutes were updated.

Jen discussed the Tuck First Year Program with one member of the selectboard who then informed the entire selectboard. Since, the discussion took place, the Tuck students filled a five-member team and the application was accepted. The next will be at Tuck, see below. The committee will provide a summary of the FYP to the selectboard for town meeting.

Jim provided a list of possible uses for Bean Hall.

Jen has surveys of the community groups, which identify their mission, number of members, youth programs, how it is funded, where they meet, how they relate to other organization in town. The question was put to each group if there would be a benefit to have an overarching 501 C3. This needs to be typed up and included in the feasibility study.

Doug discussed a potential meeting time with the Planning Commission, May 8th at 7pm was determined to be the next available tentative date.

Next Meeting:

March 20, 2016 – 1:30 – 2:30pm at Steller Hall at Tuck. This meeting will be in place of the regular monthly meeting scheduled on March 22.
