

Minutes of the
Regular Meeting of the
West Fairlee Planning Commission (PC)
March 12, 2018
7:00 P.M.

Members Present: Al Pfeiffer, Chair, Peggy Burden, Nancy Malmquist, Jim Totin

Others Present: from Two Rivers-Ottawaquechee Regional Commission (TRORC), Chris Damiani, Planner

Welcome: Al called the meeting to order at 7:00 PM

Public Comment: There was no public comment.

Minutes: Upon motion made and duly seconded, it was VOTED to approve the Minutes for February 12, 2018 Regular Meeting.

Review of the "Land Use chapter" forest blocks: Chris laid out several maps for review and Nancy asked for an interpretation of the maps. Most of the meeting was spent on detailed explanation and rationale of each map. It was suggested that a computer overlay program be used to better illustrate how the different areas were arrived at and the purpose. There was discussion on how the maps relate to land use with a wide range of related information. The time was well spent in understanding forest blocks and their affect on land use. More time is needed to digest the information and how it can best be used. There still needs to be a review of the edits of The Land Use section.

New Business/Upcoming Events:

- a. The April meeting will be the election of Planning Commission Officers.
Peggy said she would be willing to serve as Chair as has Tom, Nancy is willing to serve as Vice-Chair and Al is willing to serve as Clerk.
- b. The West Fairlee Village renewal is due May 2018.

Adjournment: There being no further business, it was VOTED to adjourn the meeting at 8:20 PM

Respectfully submitted,

Peggy Burden, Acting Clerk
